The East Mountain Womenade Fundraising

Potluck will be held Friday, August 22, 2025

A Note from East Mountain Womenade President

East Mountain Womenade proudly entered 2025 with a robust budget and the ability to continue to impact a wide range of families in the East Mountains. Our 2024 late-summer potluck allowed us to enter the new school year with the funds we needed to see us through the coming school year—we are indebted to the potluck attendees and to those that have reached out by other means to offer donations! The generosity of this community is overwhelming in the best of ways.

From left to right: Ellen Cromer, Donna Gillingham, Suzanne Lutz, Leslie Porter, Shelbi Stoerner, Rachel Moulton, Stacy Sesnie, and host Trudy Randour.

Lindsay Schwebke

Welcome Lindsay Schwebke

Lindsay Schwebke moved to the East Mountains in 2014 with her husband and two sons, who will both attend East Mountain High School this year—a freshman and senior. Lindsay is a local Realtor, and focused primarily in the East Mountains, but she also helps clients all over Albuquerque. She has enjoyed volunteering at the schools over the years and loves being a part of the East Mountain community. She loves hiking and being outdoors, watching her boys play sports, and spending time with her family. She is looking forward to being a part of Womenade.

Leslie Porter and Trudy Randour

Many Thanks!

Thanks so much to Trudy Randour who hosted our 2024 potluck. Trudy has now hosted potlucks at her beautiful home twice and has been so hospitable and welcoming. We appreciate you Trudy!

A special and heartfelt thanks to Ellen Cromer, who has stepped down from the East Mountain Womenade board. Ellen served as secretary on the board since 2019 and also created the newsletters during that time. She will we be missed!

Thanks again to Mountain Garden Club members for their generous donations.

Thank you to the Hancock Family Foundation who approved a grant last year to East Mountain Womenade. Their generous donation helped us offer aid to several families.

President's Note continued...

Your support has become even more important in the last two years as East Mountain Womenade has expanded its reach to include Edgewood—we now serve Edgewood, Tijeras, and Sandia Park. Meeting the needs of our diverse and growing community is a challenge we continue to meet with your help! Since January, we have helped thirteen families. We've kept propane and water tanks full, paid bills to keep electricity on, paid a mortgage bill as well as an emergency dental bill, provided gas cards, and repaired cars. These essentials have helped East Mountain families find their way through hard times. Most importantly, East Mountain Womenade plays an essential role in ensuring that the children in this community have a chance to succeed. Please continue to support this effort and know that each donation meets a need that would otherwise go unmet, creating a story of hope and positivity in our community.
